# Hepatitis C Prescriber Course

Saturday, 17<sup>th</sup> March 2012 (RSVP by Fri, 9<sup>th</sup> March)

(This educational event and associated material is provided free of charge to Victorian GPs and addiction medicine specialists)

Upon completion of the pre-disposing activity (review of material covering epidemiology and basic science), attendees of this highly interactive workshop will be provided with a detailed overview of chronic hepatitis C infection and its management, including: risk assessment, diagnosis, co-morbidities, suitability and preparation for treatment, and monitoring during treatment.

Medical practitioners successfully completing this course and associated activities (case study based assessment, clinical placement) may apply to be certified to prescribe s100 antiviral therapy for hepatitis C under shared care arrangements.

**Venue:** Ballarat Community Health Sebastapol – 260 Vickers Rd, Sebastapol  
**Speakers:** Dr Joe Sasadeusz, *Infectious Diseases Physician, Royal Melbourne Hospital*  
Dr John Yamba, *General Physician, Ballarat Health Services*  
Kirsty Simpson, *Integrated Hepatitis C Nurse*

**8:30am** Registration & breakfast

**8:45am** Course commences

**5:30pm** Evaluations and close

Lunch and refreshments will be served throughout the day

Upon completion of all components 40 Category 1 RACGP QI & CPD points will apply

Category 2 RACGP QI & CPD points will apply for attendance at the event without completion of all components.

Please fax registrations to Eliza Sanneman on 9341 5299 or email to Rebecca Reeves [r.reeves@gpv.org.au](mailto:r.reeves@gpv.org.au). For queries please contact Rebecca Reeves on 9341 5236 or by email.
